

EUREGIO MEUSE-RHINE RARE DISEASES

RARE DISEASES DO NOT STOP AT BORDERS!

We are looking for the testimonies of people concerned by the following diseases in the Euregio Maas-Rhine

- Chronic myeloid leukemia (CML)
- Duchenne muscular dystrophy
- Galactosemia type 1
- Huntington disease
- Phenylketonuria (PKU)
- Polycythemia vera (PV)
- Rett syndrome
- Silver-Russell syndrome

If you are:

- **PATIENT** or patient **RELATIVE**
- **Health PROFESSIONAL**
- **Patients REPRESENTATIVE**

...help our cross-border cooperation project for the improvement of rare disease patient pathways!

Share your testimony by subscribing on www.emradi.eu or by contacting us at info@emradi.eu
